PROPERTY SUBJECT TO DECLARATION

Section 1. Initial Property. The real property which shall initially be held, transferred, sold, conveyed, given, donated, and/or occupied subject to this Declaration is described in Exhibit "A" attached hereto and made a part hereof by reference. Because it is customary for developers to change the Development Plans during the course of development, and although the Declarant intends to develop Bexley Park in accordance with the Development Plan, the Declarant hereby reserves the right to review, modify, or amend the Development Plan from time to time in its sole discretion and at its option, including but not limited to adding or deleting real property, increasing or decreasing density, relocating, and reducing or increasing lakes and open or green areas; provided, however, that any such changes may only involve property then owned by the Declarant unless the Owner thereof consents to such change. The Declarant shall not be required to follow any predetermined order of improvement and development within Bexley Park; and it may bring within this Declaration lands and develop them before completing the development of Bexley Park. The Declarant shall have the full power to add to, subtract from or make changes in the Development Plan regardless of the fact that such actions may alter the relative voting strength of the various types of memberships of the Master Association.

Section 2. Additional Property. Additional property may become subject to this Declaration in the following manner:

- A. Future Phases. The Declarant shall have the right, so long as there is a Class B Membership, without any consent of the Master Association being required, to subject to this Declaration, additional properties as future phases of Bexley Park. The additional property shall automatically become subject to this Declaration by filing in the Public Records of Palm Beach County, Florida, a Supplemental Declaration of Covenants, Conditions, and Restrictions with respect to the additional property (the "Supplemental Declaration"). The Supplemental Declaration may contain such complementary additions and modifications of the covenants, conditions, and restrictions contained in this Declaration as may be necessary or convenient, in the judgment of the Declarant, to reflect the different character, if any, of the additional property. Any such modification shall have no effect on the real property described in Exhibit "A" except as may be consistent with this Declaration.
- B. Other Additions. Upon approval in writing of the Declarant while there is a Class B Membership, or the Master Association thereafter, and subject to all applicable zoning codes, the owner of any other real property who desires to subject it to this Declaration, may file or record a Supplemental Declaration of Covenants, Conditions, and Restrictions with respect to such additional property, which Supplemental Declaration, if duly executed by both said owner and the Declarant, or the Master Association if the Declarant's approval is not required by

this paragraph, shall extend the operation and effect of this Declaration to such additional property. The Supplemental Declaration may contain any such complementary additions and modifications of the covenants, conditions, and restrictions contained in this Declaration as may be necessary or convenient, in the judgment of the Declarant, or the Master Association, if the Declarant's consent is not required by this paragraph, to reflect the different character, if any, of the added properties, but such modifications shall have no effect on the real property described on Exhibit "A" except as may be consistent with this Declaration.

- C. Mergers. Upon a merger or consolidation of the Master Association with another association (which merger may only take place as permitted by the articles of incorporation and by-laws of both associations), the Master Association's properties, rights and obligations may, by operation of law, be transferred to the surviving or consolidated association, or, in the alternative, the properties, rights and obligations of the other association may, by operation of law, be added to the properties of the Master Association as a surviving corporation pursuant to a merger. Except as hereinafter provided, no such merger or consolidation shall revoke, change or add to the covenants, conditions and restrictions established by this Declaration.
- D. Additional Property. No additional property shall be added to Bexley Park pursuant to the provisions of this Section 2 unless the property to be added is included in a plat or amended plat recorded in the Public Records in connection with the addition of such additional property.

Section 3. Deletion of Property. Property may be deleted from the operation of this Declaration by amendment hereof pursuant to the provisions of Article XIV, Section 15 subject to the provisions hereof.

Section 4. Lakes. It is customary for developers to modify land use plans for planned unit developments during the course of development, and the Declarant reserves the right to amend or modify its Development Plan. Pending final development of Bexley Park, the Declarant reserves the right to expand and contract the shorelines of any lakes owned by the Declarant and thereby to modify the boundaries of same; provided that no such modification shall take place with respect to any shoreline of property owned by a person other than the Declarant without the consent of such owner. Accordingly, the exact location of any boundary between lakes and any contiguous properties shall not become fixed until final development of all properties contiguous to and surrounding any lakes. Unless specifically provided in the deed from the Declarant or in any declaration of covenants, conditions, and restrictions or similar instrument recorded by the Declarant or approved by the Declarant, no conveyance of the property abutting any lake or canal shall include any rights with regard to said lake or canal, and without limiting the generality of the foregoing, no such conveyance shall include title to land outside the legal description contained on the deed.

Section 6. Surface Water Management. It is acknowledged the surface water management, drainage and storage system for the Property is one integrated system, and accordingly shall be deemed a Common Area, and an easement is hereby created over the entire Property for the surface water drainage and storage, and for the installation and maintenance of the surface water management, drainage and storage system for the Property, provided however that such easement shall be subject to

improvements constructed within the Property as permitted by controlling governmental authorities from time to time. The surface water management system may also include additional property which will become part of the Property pursuant to the provision of Article II, Section 2. If pursuant to the permitting requirements of any governmental authority the surface water management system for the Property is required to provide drainage for any other property, such other property shall have an easement for drainage purposes into the surface water management system for the Property. The surface water management, drainage, and storage system of the Property shall be developed, operated, and maintained in conformance with the requirements of, and any permits or approvals issued by the South Florida Water Management District and any other controlling governmental authority. Except as hereafter provided, the Master Association shall maintain as a regular expense the entire surface water management, drainage, and storage system for the Property, including but not limited to all lakes and canals, swale areas, retention areas, culverts, pipes, pumps, catch basins, and related appurtenances, and any littoral zones in any lakes or other waterway, regardless of whether or not same are natural or man-made within the Property or are owned by the Master Association. Such maintenance shall be performed in conformance with the requirements of any governmental authority, and an easement for such maintenance is hereby created. The Master Association will have the right, but not the obligation, to maintain any portion of the surface water management, drainage, and storage system for the Property which is owned and/or maintained by any controlling governmental authority, or which is outside of the Property. The Master Association will have the right to enter into agreements with any controlling governmental authority or any other property owner or association for the common maintenance of the surface water management, drainage, and storage system serving the Property and any other property. The Property shall be required to accept surface water drainage from any other property pursuant to the requirements of any controlling governmental authority and an easement for such drainage is hereby created, and in connection therewith the Master Association will have the right, but not the obligation, to maintain any portion of the surface water management system for such other property reasonably required in connection with the maintenance or operation of the surface water management system for the Property.

Any such right of access shall be exercised in a reasonable manner only and, except for emergency repairs, any Owner shall give at least twenty-four (24) hours prior notice to the other party over whose Family Dwelling Unit the easement is being exercised and shall, to the extent practicable, not interfere with, restrict, disturb or hinder the full enjoyment by such Owner of his or her Family Dwelling Unit. Any Owner exercising the easement rights herein granted shall repair, at such Owner's sole cost and expense, any damage caused by such Owner as a result of such entry.

Section 9. Association Easement. The Master Association shall have an easement over the exterior of the Family Dwelling Unit to the extent necessary for the Master Association to perform its maintenance obligations under this Declaration, including, without limitation an easement over the Residential Lot to the extent necessary to perform its maintenance and repair obligations provided for in this Declaration.

A. The right of the Declarant or the Master Association, in accordance with its By-Laws, to borrow money from the Declarant or any other lender for the purpose of improving and/or maintaining the Common Area, and providing services authorized herein and, in aid thereof, to mortgage said properties.

B. The right of the Master Association, subject to the notice provisions of its By-Laws, to suspend the rights and enjoyment of said easements of any Member or any tenant, guest, licensee or invitee of any Member for any period during which any assessment remains unpaid, and for any period, not to exceed sixty (60) days, for an infraction of its published Rules and Regulations, it being understood that any suspension for either non-payment of any assessment or breach of any Rules and Regulations of the Master Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment; provided, however, that the Master Association shall not suspend the right to use any roads belonging to the Master Association, subject, however, to the Rules and Regulations of the Master Association for such use, and provided further that the Master Association may not suspend any rights and easements reserved herein to the Declarant. The right of ingress and egress through such roadways shall not be impaired.

E. The right of the Master Association to give, dedicate or sell all or any part of the Common Area, roadways, or other rights of way to any public agency, authority, or utility for such purposes and subject to such conditions as may be determined by the Master Association, provided that no such gift or sale or determination of such purposes or conditions shall be effective unless the same shall be authorized by the affirmative vote of three-fourths (3/4) of the votes cast by the Voting Members and the Declarant at a duly called meeting of the Members of the Master Association, and unless written notice of the meeting and of the proposed action thereunder is sent at least thirty (30) days prior to such meeting to every Member entitled hereunder to vote. ARTICLE VII

ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligations of Assessments. The Declarant covenants, and each Owner of any Family Dwelling Unit shall by acceptance of a deed therefore, regardless of whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Master Association: (1) annual assessments, (2) special assessments, and (3) individual assessments, all fixed, established and collected from time to time as hereinafter provided. The assessments will not be the same for all of the Property and will be different depending on whether the Unit is located in Bexley Park Estates, Bexley Park Manor or Bexley Park Townhomes. Said assessments will only be required of an Owner including Declarant of a Family Dwelling Unit after a Certificate of Occupancy or its equivalent has been issued by the applicable governmental authority having jurisdiction thereof. No assessments will be due until such time as the Certificate of Occupancy has been issued. The annual, special and individual assessments, together with such interest thereon and costs of collection (including Reasonable Attorneys' Fees) therefore shall be a charge and continuing lien as provided herein on the real property and improvements thereon of the Owner against whom each such assessment is made. Each such assessment, together with such interest thereon and cost of collection (including reasonable Attorneys' Fees), shall also be the personal obligation of the person who was the Owner of such real property at the time when the assessments first became due and payable. The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Area or any Recreational Facility, or by the abandonment of the property against which the assessment was made. In the case of co-ownership of any Property subject to assessment, all of such co-Owners shall be jointly and severally liable for the entire amount of the assessment.

Section 2. Purpose of Annual Assessments. The annual assessments levied by the Master Association shall be used exclusively for the improvement, maintenance, enhancement, and operation of the property described in Article IV, Section 1 and to provide services which the Master Association is authorized or required to provide. The Master Association may establish reserve funds to be held in reserve in an interest bearing account or investments as a reserve for (a) major rehabilitation or major repairs, and (b) for emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss. The amount of annual assessment will vary as to the type of Family Dwelling Unit on a Residential Lot as determined by the Board of Directors of the Master Association.

Section 3. Initial Period. There shall be no annual or special assessments prior to August 31, 2004, or until a date determined by the Board of Directors, whichever is later. The Board of Directors shall give notice of the initial budget and commencement of assessments at least 30 days before the first monthly installment becomes due.

After the date established in the immediately preceding sentence, annual assessments shall be levied and determined in accordance with Sections 4 and 5 of this Article VII.

Section 4. Annual Budget of General Expenses. The Master Association shall prepare an annual budget not less than thirty (30) days in advance of the commencement of each fiscal year which shall project the estimated total expenditures for the services set forth in Section 2 above for the forthcoming year. Recreational Expenses may only be included in the budget to the extent they relate to Recreational Facilities owned and/or leased by the Master Association and open to all Owners. No Recreational Expenses relating to any Recreational Facility operated on a Membership Basis shall be contained in the budget; provided, however, that nothing contained herein shall prohibit the Master Association from charging a reasonable fee for the use of any Recreational Facility or from permitting the general public to use same upon payment of such a fee if it is deemed in the best interest of Bexley Park. The Master Association shall, at the same time as it prepares the annual budget, prepare a schedule which sets forth the amount of the annual assessment for each Owner. In the

event the Master Association fails to prepare an annual budget, the annual budget for the preceding year shall be the budget for the Master Association until a new annual budget is prepared by the Master Association. Additionally, if the Master Association determines that the then existing annual budget does not correctly incorporate the expenditures for services set forth in Section 2, then the Master Association shall have the right to prepare a new annual budget together with a schedule setting forth the amount of annual assessments for each Owner.

Section 5. Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence as to a Residential Lot on the first day of the month following the earliest of the following events to occur: a) a Certificate of Occupancy being issued for a Family Dwelling Unit constructed on a Residential Lot; or b) the occupancy by an Owner of a Family Dwelling Unit on a Residential Lot; or c) the conveyance by the Declarant of a Residential Lot; provided, however, that notwithstanding anything to the contrary contained above, the Owner of a Residential Lot shall pay 1/50th of the annual assessment as to a Residential Lot until a Certificate of Occupancy is issued for the Family Dwelling Unit constructed on the Residential Lot or until the Family Dwelling Unit is occupied by an Owner, whichever first occurs. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year.

Section 6. Purpose of Special Assessments. To the extent that annual assessments are insufficient to fund the services which the Master Association is authorized or required to provide or to repair or reconstruct Common Area or as is otherwise permitted in this Declaration, the Master Association may levy a special assessment to cover the cost thereof.

Section 7. Proportion and Amount of Special Assessments. The total amount of special assessments, in any one year, may not exceed a sum equal to the amount of annual assessment for such year, except in the case of emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss. This provision shall be interpreted to mean that the Master Association may make in any one year an annual assessment as set forth in Section 5 of this Article plus an additional special assessment, which additional assessment being considered alone, may not exceed the annual assessment.

Section 8. Individual Assessments. Each Owner of a Family Dwelling Unit is required to maintain his property, whether improved or unimproved, in a state of good repair at all times, which shall include, but shall not be limited to, periodic painting (or other appropriate refinishing) of all structures requiring same and the maintenance of the lawns, shrubbery and trees in a well-groomed and trim condition, and if unimproved, in an orderly and uncluttered condition. Such Owners are further required to maintain their property in accordance with any other covenants, conditions and restrictions and Supplement Declarations to which their deeds or other instruments of conveyance make reference. In the event of the failure of such Owner(s) to maintain their property as required herein, the Master Association, after first given thirty (30) days notice to such Owners and an opportunity to appear before the Board of Directors of the Master Association, may take such steps as are necessary to remedy any defective and/or unsightly conditions or comply with requirements imposed herein, and such Owner(s) of said property shall be assessed for the expense of same. Entry upon such Owner's Property for such purpose shall not constitute trespass. Assessments may also be levied against such Owners for any damage to Common Area, or Recreational Facilities which may be caused by such Owners, their families, lessees, guests or invitees.

Section 9. Monthly Payment of Annual Assessments. Annual assessments shall be paid in advance in monthly installments due on the first day of each calendar month or as otherwise established by the Master Association commencing with the date stated in Section 3 of this Article, and shall be deemed delinquent if not received by the Master Association on or before the tenth date after they become due. The due date and grace period of any special assessment under Section 6 hereof shall be fixed in the resolution authorizing such assessment.

Section 10. Duties of the Board of Directors. The Board of Directors of the Master Association shall prepare an annual budget and fix the amount of the assessment against each of the properties as provided hereinabove for each assessment period and shall, at that time, prepare a roster of the properties, and assessments applicable thereto which shall be kept in the office of the Master Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent every Owner. The Master Association shall upon demand at any time furnish to any or Owner who pays assessments directly a certificate in writing signed by an officer of the Master Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. The Master Association may charge a reasonable fee for this certificate.

Section 11. Establishment of Liens to Secure Payment. All assessments and charges levied by the Master Association in accordance with the provisions in accordance with the provisions of this Declaration, together with interest at the highest rate allowed by law, and costs of collection (including, but not limited to costs and reasonable attorney's fees) are hereby declared to be a charge and continuing lien upon the Residential Lot and Unit against which each such assessment or charge is made, and shall also be the personal obligation of the Owner of each Residential Lot and Unit assessed. This lien is superior to any Homestead rights the Owner may acquire. No Owner may be exempt from personal liability for assessments and charges, or release any Residential Lot from the liens and charges hereof, by a waiver of use rights, or by abandoning the Residential Lot. The Master Association's lien is activated by recording a Claim of Lien by the Master Association in the public records of Palm Beach County, setting forth the amount and due date of each unpaid assessment or charge as of the date the Claim of Lien is recorded. The Claim of Lien secures payment of all assessments and charges due at the time of recording (including interest, costs and attorney's fees as provided above), as well as all assessments and charges coming due subsequently, until the lien is satisfied or a final judgment of foreclosure obtained. Upon full payment of all sums secured by a Claim of Lien, the party making payment is entitled to a satisfaction in recordable form.

Section 12. Priority of Liens. Except as otherwise provided by law, the Master Association's lien for unpaid assessments and charges shall be subordinate and inferior to that of any recorded mortgage held by a Institutional Mortgagee, unless the Master Association's Claim of Lien was recorded before the mortgage. The Master Association's lien is superior to, and takes priority over, any other mortgage regardless of when recorded. A lease of a Living Unit is also subordinate and inferior to any Claim of Lien of the Master Association, regardless of when the lease was executed. A mortgagee in possession, a receiver, a purchaser at a foreclosure sale, or a mortgagee that has acquired title by deed in lieu of foreclosure, and all persons claiming by, through or under any of them, shall hold title subject to the liability and lien of any assessment or charge coming due after taking title. Any unpaid assessment or charge which cannot be collected by reason of this Section, shall be treated as a common expense, collectible from all Residential Lots, including the Residential Lot as to which the foreclosure (or conveyance in lieu of foreclosure) took place.

Section 13. Collection of Assessments. If any owner fails to pay any assessment, charge, or installment thereof, within ten (10) days after the due date, the Master Association shall have any or all of the following remedies, to the extent permitted by law, which remedies are cumulative and are not in lieu of, but are in addition to, all other remedies available to the Association.

A. To accelerate the balance of the annual assessment due and charge interest on such assessment or charge, from the due date until paid, at the highest rate allowed by law; and, in addition, to impose a late payment penalty which may not exceed any maximum amount as may be provided for by law.

B. To suspend the voting rights of the owner in the Master Association during the period of delinquency.

C. To file an action in equity to foreclose its lien. Unless another procedure is required by law, the lien may be foreclosed by an action brought by the Master Association in the same manner as provided in Section 718.116 of the Florida Condominium Act, as amended from time to time, for the foreclosure of liens on condominium parcels for unpaid condominium assessments.

D. To bring an action at law for a money judgment against the owner without waiving any foreclosure rights of the Master Association.

E. To assign the right to assessment to a person or entity for collection. In any civil action brought hereunder, the Master Association shall be entitled to judgment for interests, costs and reasonable attorneys fees if it is the prevailing party.

Section 14. Exempt Property. The following property and persons shall be exempted from assessments under this Declaration and liens therefore:

A. Any portion of the Property used exclusively for the purpose of utility easements or dedicated public roadways; and

B. All Common Area.

Section 15. Capital Contributions. At the time of the closing of a Family Dwelling Unit pursuant to an original sale by the Declarant, each purchaser shall pay to the Declarant on behalf of the Master Association a sum equal to the aggregate of Two Hundred Fifty and No/100 (\$250.00) Dollars as the amount of working capital contribution. These monies (hereinafter called "**Capital Contribution**") shall be the Master Association's property, and shall be held by the Master Association through its Board of Directors, pursuant to the powers described in the Articles and By-Laws. The Capital Contribution shall be deemed ordinary association income and need not be separated from or held or applied differently than assessments.

Section 16. Surface Water Management System. The Master Association is responsible for assessing and collecting fees for the operation, maintenance, and, if necessary, replacement of the surface water management system. Fees shall be assessed and collected through annual assessments or other assessment, if necessary.

Section 17. Conservation Areas. The Master Association is responsible for assessing and collecting fees for the perpetual maintenance of the Conservation Areas. Fees shall be assessed and collected through annual assessments or other assessment, if necessary.

Section 18. Declarant's Guarantee of Deficit. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant is the owner of any Lot and there is a Class B Membership, the Declarant shall not be liable for assessment against such Residential Lot, provided that the Declarant funds any deficit in operating expenses, exclusive of reserves, cost of capital improvements and non-budgeted repairs or replacement and management fees (if the Declarant is entitled to same). For the purposes hereof, a deficit shall be computed by subtraction from said expenses (exclusive of the items described in the foregoing sentence) all assessments, contributions and other sums received or receivable by the Master Association. The Declarant may commence such assessments to Residential Lot(s) that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Master Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Residential Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Master Association for the payment of assessments or deficits other than those that arose to prior to such time.

ARTICLE VIII

ARCHITECTURAL AND DEVELOPMENT CONTROL

Section 1. Architectural Review Committee. There is hereby established an Architectural Review Committee ("ARC") whose duties, powers and responsibilities shall be as hereinafter set forth:

A. Initially, the ARC shall consist of three (3) persons designated by the Declarant, who shall hold office at the pleasure of the Declarant. The Declarant shall determine which member of the ARC shall serve as its chairman. At such time as the Class B Membership ends or earlier as Declarant may decide, the Declarant shall assign to the Master Association the rights, powers and duties and obligations of the ARC, whereupon the Board of Directors of the Master Association shall appoint the members of the ARC which shall consist of three (3) members, and shall provide for the terms of the members of the ARC, and determine which member of the ARC shall serve as its chairman.

B. The ARC shall have the right of specific approval or veto of all architectural and landscaping aspects of any improvements or development of individual units or buildings as well as the general plan for development of any individual lot subdivision, tract or parcel of land within Bexley Park provided, further, that the ARC may, in its sole discretion, impose standards on said architectural and landscaping aspects and said general plan for development, which standards are greater or more stringent than standards prescribed in applicable building, zoning or other local governmental codes.

C. No building, sign, outside lighting, fence, hedge, wall, walk, dock, or other structure or planting shall be constructed, erected, removed, planted or maintained, nor shall any addition to or any change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ARC. As part of the application process, three (3) complete sets of plans and specifications prepared by an architect, landscape architect, engineer, or other person found to be qualified by the ARC shall be submitted for approval by written application on such form as may be provided or required by the ARC.

D. In the event the information submitted to the ARC is, in its opinion, incomplete or insufficient in any manner, it may request and require the submission of additional or supplemental information.

E. The ARC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in its sole discretion, for aesthetic or any other reasons, provided such approval is not unreasonably withheld. In approving or disapproving such plans and applications, the ARC shall consider the suitability of the proposed building, improvements, structure or landscaping and materials of which the same are to be built, the site upon which it is proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property.

F. Unless specifically exempted by the ARC, all improvements for which approval of the ARC is required under this Declaration shall be completed within a reasonable time from the date of commencement of said improvements or within the time set by the ARC in the event that the approval is so conditioned.

G. In the event the ARC shall fail to approve or disapprove any plans and specifications submitted in final and complete form, within forty-five (45) days after written request for approval or disapproval is delivered to the ARC by the Owner or the Owner's agent or attorney, then such approval of the ARC shall not be required, and the Owner or the Owner's agent or attorney may record an affidavit in the Public Records stating that the required notice was given and no objection was made by the ARC, which affidavit shall constitute prima facie evidence of the facts stated therein; provided, however, that no building or other structure shall be erected or shall be allowed to remain if built in violation of this Declaration of which violates any of the covenants, conditions or restrictions contained in this Declaration, or which violates any zoning or building ordinance or regulation.

H. There is specifically reserved unto the ARC, the right of entry and inspection upon any of the Property for the purpose of determination by the ARC whether there exists any construction of any improvements which violates the terms of any approval by the ARC or the terms of this Declaration, of any Supplemental Declaration, or of any other covenants, conditions, and restrictions to which its deed or other instrument of conveyance makes reference. Such inspection shall be preceded by reasonable notice to the Owner of the property to be inspected, except for inspections of exterior of improvements and of unenclosed land. The ARC is specifically empowered, acting in the name of the Master Association, to enforce the provisions of this Declaration and all Supplement Declarations by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, or to remove any unapproved improvements, the Master Association shall be entitled to recovery of all court costs, expenses and reasonable attorneys' fees in connection therewith. The Master Association shall indemnify and hold harmless the ARC and each of its members from all costs, expenses and liabilities including attorneys' fees incurred by virtue of any member of the ARC's service as a member of the ARC. All costs, expenses, and attorneys' fees of the ARC, including those incurred in connection with its enforcement or powers as provided herein, shall be borne by the Master Association; provided, however, that nothing provided herein shall be deemed to negate the Master Association's right to an award of its and the ARC's reasonable attorneys' fees and costs if it is the prevailing party in any administration or judicial proceeding.

I. The ARC is empowered to publish or modify from time to time, design and development standards for Bexley Park.

J. Wherever the written consent of the ARC shall be required, the chairman of the ARC shall be authorized to execute and acknowledge instruments manifesting said consent, after approval by the ARC.

K. A specific improvement, once approved by the Declarant or the ARC, may remain in place notwithstanding the adoption of contrary standards later.

Section 2. Approval of Supplemental Declarations. No Supplement Declaration may be recorded in the Public Records of Palm Beach County by any person, nor shall same have any legal or equitable affect or validity, unless it has been approved as provided in this section. Such approval shall be evidenced by the affixing of a certificate of approval as provided below to the Supplemental Declaration and the recording of said certificate with the Supplement Declaration in the Public Records of Palm Beach County.

A. The right of approval provided in this section shall be held by the Declarant for as long as there is a Class B Membership or until the Declarant surrenders its right of approval to the Master Association.
